

USE OF PHOTOGRAPHS AND RECORDED IMAGES

This form is to be signed by the Legal Guardian of a young person under the age of 18, together with the young person. It provides permission for images of the young person to be used.

Please note that if you have more than one child under the age of 18 registered with the organisation you will need to complete a separate form for each young person.

The Angling Club/Fishery recognises the need to ensure the welfare and safety of all young people in Angling.

As part of our commitment to ensure the safety of young people we will not permit photographs, video images or other images of young people to be taken or used without the consent of the parents/guardian and the young person.

The Angling Club/Fishery will follow the guidance for the use of images of young peoples detailed within the Angling Trust's Child Protection Policy and Procedures.

The Angling Club/Fishery will take steps to ensure these images are used solely for the purposes they are intended, which is the promotion and celebration of its activities. If you become aware that these images are being used inappropriately, you should inform the Club Welfare Officer immediately.

The information will be available on the organisation web site. If at any time either the parent/guardian or the young person wishes the data to be removed from the web site, 7 days notice must be given to the Club Welfare Officer after which the data will be removed.
